

IMPORTANT INFORMATION

Our colleague, Steven Lavigne, a dedicated and resourceful professional, has been part of the OAS family in the Department of Conferences and Meetings Management since 2017. He is friendly, dependable, and always willing to go above and beyond. Today, he needs our help.

Steven had emergency surgery last week to remove a large tumor from his brain. While we are happy that he is recovering well, we are also aware that he now faces future challenges, including meeting the high cost of required treatments, medicines, therapies, and other special needs. With the prayers and support of colleagues, friends, and family, we hope that we can inspire hope and strength on Steven's long road to recovery and provide tangible support to cover the mounting costs of his medical, emotional, and other needs.

If you are in any way able to offer a contribution of any size to support his recovery, please consider making a donation directly through the credit union or to this GoFundme page <https://gofund.me/6190221d>

OAS Federal Credit Union

1. Account: 10293
2. The first three letter of the last name: LAV

Our colleague Steven, his wife, and his family thank the OAS circle of colleagues and friends for the incredible outpouring of support and prayers received. We know that his quiet positivity, and his eager determination to find solutions will serve him well as he fights the good fight, and we are confident that he will emerge from this life-challenge a stronger person. We look forward to welcoming him back to doing the work he loves, and look ahead to a bright future for him with his wife and family.
